Plug In Pest Free Gadget.

Our three children in their respective homes & us
rats & cockroaches problems. All of us had to do,
on the contracting pest controllers using their chemics
to combat the nuisance of the pests. We had to
on the periodical efforts of the contractors to
the effectiveness of the pest control in our respect.

We were introduced to and are using the plug
pest free gadget the past few months and have
ceased the use of chemicals in our homes.

We wish to conclude that the use of the
pest free gadget has proven to be effective in combat
the pests of rats and ~~cockroaches~~ cockroaches.

Our pest problem is solved.

Yours truly,
Kery Bora Chin
